October 7, 2005

Dearest Friend of Our Lady,

This is the great Feast of the Most Holy Rosary. At dawn on October 7, 1571-- as Vatican Archives later revealed--Pope Pius V, accompanied by many faithful, was praying the Rosary in the Basilica of Santa Maria Major. From dawn to dusk the prayers continued in Rome as the Christians and the Muslims battled at Lepanto.

The Rosary crushed the Muslim fleet...

When it was all over the Muslims had been defeated. Of some 270 Moslem ships, at least 200 were destroyed. The Turks also lost 30,000 men while Christian casualties numbered between 4,000 and 5,000.

The Rosary had won a great military victory. Like all truly great military leaders who hate war and love peace, Don John retired after his victory at Lepanto. He died a few years later at the age of 31.

Following this great Christian victory at Lepanto, Pope St. Pius V declared that henceforth a commemoration of the Rosary would be a part of the Vatican's Mass on every October 7. His successor, Pope Gregory XIII, went further. In 1573 he established the Feast of the Most Holy Rosary--to be celebrated at all Churches which had specific altars dedicated to the Rosary.

Let us storm Heaven with Rosaries for the defeat of the Muslim terrorists around the world.

S.O.S. We desperately need help to keep going.

The summer has been hot and with the high prices of gasoline donations have been down. Right now we are in a severe financial crunch. Our outstanding bills are \$15,127.11. We have used all of our personal funds to keep Our Lady's work going, but now our backs are up against the wall. We urgently need your help in order to continue.

If you could donate \$20, \$50, \$100, \$500 \$1,000, \$3,000, \$5,000, or any amount, you will be greatly blessed by Heaven.

Jesus - "My children, ponder upon My Mother's words now as you go forward

upon the Mission from Heaven. Give all you can in charity of heart. Bring the knowledge to the world, My children. Give and you shall receive threefold." (6-18-77)

New Orleans was destroyed by Hurricane Katrina just before the "Southern Decadence 2005" Festival was to start...

"You will read your history books, and you will find out that there was a Sodom and Gomorrah. And what did We do to that abominable city, Sodom? We destroyed it! And what did We do to Gomorrah? We destroyed it! And We destroyed all who did not follow the plan for their redemption." Jesus, November 1, 1985

Just days before "Southern Decadence", an annual homosexual celebration attracting tens of thousands of people to the French Quarters section of New Orleans, Hurricane Katrina destroyed the city. New Orleans was a city that had its doors wide open to the public celebration of every perverted sex act in the streets. From this devastation may a city full of righteousness emerge.

"My children, much of the external symptoms of degradation and decadence are evident. They are not to be overlooked as being meaningless. As a drop in the bucket they will add up." Our Lady of the Roses, September 13, 1978

New Orleans is also known for its Mardi Gras parties, where thousands of drunken men revel in the streets to exchange plastic jewelry for drunken women to expose their breasts.

We must help and pray for those ravaged by this disaster, but let us not forget that the citizens of New Orleans tolerated and welcomed the wickedness in their city for so long. May this act of God cause us all to think about what we tolerate within our city limits, and bring us trembling before the throne of Almighty God.

"Great elemental tragedies, disasters, manmade and God - sent upon mankind, shall increase in volume, shall increase in intensity and numbers." Jesus, May 26, 1979

The Katrina Disaster report...

The Don McAlvany Intelligence report titled: "The Katrina Disaster" report tells of the economic, political, and military implications of the destruction of New Orleans on the United States and the world. To put this disaster in perspective, the 9/11 area of devastation was 16 acres - the Katrina area of devastation is 90,000 square miles or 57,600,000 acres! The hand of God is upon us. Lord have mercy on us.

This tremendous 20 page report backs up what Our Lady has said. It costs \$5.00 and is listed in the miscellaneous section of the order form. Item #R141

The passing of Sister Lucy... "I wish at this time, My children, to repeat again the need to write, to speak, to meet with the Holy Father in Rome, and plead with him to have Lucy come forward and tell the Third Secret word for word, as I give to you each evening on My appearances upon the grounds of Bayside, and Flushing Meadows." - Our Lady, June 18, 1986

Sister Lucy was to reveal the real Third Secret word for word. God has not granted us this great grace of knowing the real Third Secret of Fatima at this time. Some Fatima experts claim that the actions and statements of the Sister Lucy seen in public in recent years were highly suspect, compare to Sister Lucy's actions and statements in the past. Does this mean there was an imposter, as there was for Pope Paul VI? If there was an imposter, who died? Was it the real Sister Lucy or was it the imposter?

Gigantic Earthquakes are coming to the United States. Prepare now!

"A disaster of great magnitude is approaching your country! Have you prepared for this? There will be in your country a great quake. The earth shall tremble, the homes shall fall and many shall be sent into oblivion! Your country will not escape this chastisement." Our Lady of the Roses - 10-2-74

On August 5, 1974 Our Lady of the Roses said: "It is our greatest, fondest wish that the Message from Heaven be heeded.

You do not have thirty--years to spread this Message, My child. So work with great haste."

The world had 30 years, which ended on August 5, 2004 to spread and accept Our Lady's Bayside Messages. Now the punishments from God have started. On August 13, 2004, a Fatima day, the first of four hurricanes slammed into Florida. Earthquakes and foul weather have accelerated around the world. On December 26, 2004, tsunamis killed more than 150,000 in the 9.3 Indonesian Earthquake. This is only the beginning. In the coming disasters millions will die. The world has rejected the messages given by the Eternal Father through Our Lady of the Roses. We now face the wrath of God the Father! Giant earthquakes are coming to the United States. Now is time to pray and prepare by storing food and water in tight containers. ***"There is only one individual to fear in your world, and that could be, My child and My children, the fear of an angry God."*** - Our Lady, 10-5-85

"Every single soul that is upon the earth today alive and those who have also been aborted, were brought into the world through the intercession of the Holy Spirit; Therefore, they are creations of your God, and as such for the United States, a measure of punishment: There will be a great earthquake. This earthquake will be in a most unusual place, My child, but when it happens, they will know that they are facing now an angry God." Jesus 10-1-88

"The prayer life of the clergy has almost become nil. That means, My child, that they must return to meditation and constant prayer, or much more shall happen to the earth. There will be pestilence anew. There will be earthquakes in many places. The present ones have been nothing compared to what will happen next. There will be a great earthquake in the Los Angeles area, and also New York." - Jesus, 6-17-89

"It is an abomination for man to wear his hair long."

"The long hair worn by My Son and those He chose to be His Apostles - why was their hair long? So that they would be rejected by the world. At that time, My child, only the old, the elderly, wore their hair in such fashion and those dedicated to the rabbinicalhood - priesthood. It was not the custom of the day to wear hair long. If you will look into your books of history you will note this. But My Son did not wish to be looked upon with vanity,

though beautiful was His face, He chose to be unrecognized among the crowds as did those He chose to be His teachers, the Apostles.

"Therefore, the teachings of Paul are true. It is an abomination for man to wear his hair long. Read the Book of Life, read it by calling upon the Holy Spirit to enlighten you, and you will understand. Do not accept these books written after the earth - year 1964 for they will have been changed to suit mankind.

"You are not to lead your lives under the direction of man but under the direction of your God! The plan for your salvation was given to you in the Book of Life and Love, your Bible. Read it and learn by it." - Our Lady (8-14-74)

Within U.S.: Famine and Thirst...

"Within your land, the United States, and many nations that have fallen to corruption and sin, great trial will be given. The crops will fail; there will be famine and thirst in many regions." - Jesus, July 15, 1977

If Michael Schiavo starved his dog he would be arrested and thrown into jail.

But he murdered his wife and got away with it. Terri Schiavo was murdered by the Nazi judges. It will usher in euthanasia across the United States. This will be the Roe vs. Wade of euthanasia and hundreds of thousands of the sick and aged will be exterminated.

Euthanasia...

"The time will come, My child, when those who are upon the earth will envy those who have passed beyond the veil. Insanity, sin. Sin is insanity. The aged will be put to death, the crippled will be put to death, the mentally ill will be eliminated. The value of life will be gone. The value for life will be destroyed. Murderers! Sanctioned among those with the power to destroy the souls!" - Jesus, March 18, 1974

Murder of the elderly...

"I know this makes you affrighted, My child, that there is so little value for life, but did not I tell you many years ago that if they started to murder the unborn, they will murder the living, even the adults. They may murder the children, but then they will also murder the elderly." - Our Lady, November 1, 1985

Murder to the masses...

"I hear all cries of peace, peace, and security, going throughout your world, My children. But there is no peace, there is no security. And your country, the United

States of America, the great eagle has been plucked by satan and his agents. You see lying now before you a majestic eagle, the once proud symbol of America, fallen because of paganism and sin.

"It is known through history that once a country has given itself over to all manner of paganism and sin, it is not long before that country falls into a system of dictatorship, bringing great sorrow, even murder to the masses." - Our Lady, May 26, 1979

Our Lady promised a miraculous spring at Bayside, New York, and it will be called the "Lourdes of America."

Our Lady - "I bless you, My children, as the Eternal Father sends you His Blessings and power of cures and conversions for the propagation of the mission from Heaven.

"There shall be, My child, many cures. In time, they will be known to the world.

"Yes, My child, you shall return to the Sacred Grounds soon. There will be a spring, My child." (10-6-75)

Our Lady to appear over St. Robert's...

Our Lady - "Yes, My child, I am going about the world appearing in various places, and I have reason for all. One day, My child, the waters will come up at Bayside, and I will appear over the old church building. Your Bishop then cannot deny My Appearances." (5-17-86)

Let us all pray that this miraculous spring will erupt very soon at St. Robert Bellarmine Church at Bayside, New York!

Testimonies...

Dear Veronica,

I want to tell you of two or more beautiful things that have happened to me: First, my beautiful Rosary has turned gold, and I am so happy about that. Second, my husband returned to communion after being away at least 40 years, I am so thrilled and thank Jesus and Mary for him returning to the sacraments. Third, we were in an auto accident and our car was totaled, but for the grace of Good we were both spared; I had just finished saying my Rosary about 10 minutes before the accident.

Please put this letter at the next vigil to thank Jesus and Blessed Mother for all she has done for us. Thank you, from East Syracuse, New York

Dear Workers,

I, too, was cured and converted when I found my first Rose Petal in March, 1994 on Market St. in San Francisco, CA. I was cured of a major affliction, hard-drug use and abuse. I believe Our Lady gave me the strength and grace to stop completely

from this suffering. I was away from the Roman Catholic Church for 26 years when I was converted back because of Our Lady of the Roses, Mary Help of Mothers. I also completely stopped my homosexual lifestyle and behavior, and followed the counsel and directions of Our Lady's Shrine. I was brought back to family too.

I am living the best of my life now. My faith in the Church and Jesus and Mary through the Shrine. Thank you for your great website too! J.B.

Dear Veronica,

I was converted to the Church by a tape my mother played for me on one of my rare visits. We were estranged. Mother had been to Bayside. On the tape the Blessed Mother wept. Her tears are sacramentals. Ms. Z. from Montana

Dear Veronica,

I was a Southern Baptist, and not practicing, and in the military, when God brought Bayside my way. My husband, whom I met while in the US Coast Guard, told me about Bayside. This was before we were married. He showed me a book his mother gave him, and I bugged him, wanting to know more about it. And I believed it right off.

The great sorrow in my heart for the awful sins I had committed--I did drugs, I drank a lot--I was, I guess you would call wild or lived a worldly life. I also had gotten pregnant and had an abortion. At the time, I wasn't sure if it were taking a life, but something in me wanted to protect the baby. But I had a lot of pressure on me, and I got the abortion. I was very emotionally disturbed afterwards. When I read the books about all the aborted babies in the garbage cans, it really tore me to pieces. I cried and cried a lot.

I and My husband--still dating--sent a petition to Bayside and came to the grounds to the Vigil in September. I cried a lot. Two breezes hit us and we smelled some very pretty perfume; it was really strong. After we left the grounds, it was still on my mantilla. I still don't know what it was.

My husband and I were engaged at that time, and I had asked in my petition if I was to marry him or not. My husband, who was raised Catholic, and I were married two months later. I converted one year later to the Roman Catholic religion. I thank God for letting me know and believe these truths. I have since received many outward graces. From Tennessee

Dear Veronica,

On July 25, 1987, on the Feast of St. Joachim and St. Anne, I was given a

special grace, here, on the Shrine grounds. I was praying the rosary with all the people, and out of nowhere, the Blessed Mother appeared in the sky for a few moments, and I saw Her there. The funny thing about it was that She turned towards me and looked at me, and then turned towards someone back a little way away from here, whom I did not see (I assumed it was Jesus.) Then She looked at me again, and then, with Her hands folded in prayer and Her head bowed down, She continued to float across the sky, and then the vision vanished.

I believe it's the Blessed Virgin Mary who appeared to me, and I thank Jesus Christ for this grace. He knows how much I needed this to strengthen my faith. From Fall River, Massachusetts

(NEW) Heaven's military personal protection packet...

Our Lady tells us to be protected from all evil, we must wear the following sacramentals around our necks: Our Lady of the Roses medal, a rosary, a crucifix, the St. Benedict medal, the Miraculous Medal, and the scapular. We have all of these sacramentals in a packet we call "Heaven's Personal Protection Packet."

To the Personal Protection Packet we have added the following: the Scapular Medal, the Holy Face Medal, the St. Benedict Medal, and a second Rosary. The first Rosary is to wear around the neck and the second on is to carry in a pocket. The Scapular Medal replaces the Brown Scapular and St. Michael is the patron saint and guardian of military and policeman. In World War II all the soldiers who wore the Holy Face Medal came home alive. So we have upgraded the Personal Protection Packet with these medals and made it into Heaven's Military Personal Protection Packet to be given to soldiers and policeman.

This Heaven's Military Personal Protection packet is available for a donation of \$5.00. All the medals in this packet have been blessed by a priest. The Bayside Medal and the Rosaries have also been blessed by Jesus and Our Lady of the Roses at Our Lady of the Roses Shrine at Bayside, New York. See the sacramental section of the order form.

Holy Rosary Illustrated booklet...

This beautifully illustrated booklet has the back ground on the Holy Rosary. It contains short Bible meditations on each of the mysteries: Joyful, Luminous, Sorrowful, and Glorious. It has directions on how to say the Holy Rosary and the

Litany of the Blessed Virgin Mary on the back cover. It is the best the booklet we have ever seen on the Most Holy Rosary. It is 4 x 6 inches and has 26 pages. It costs \$3.00 and is listed in the book section of the order form.

Heaven's Home Protection Packet...

With grave threat of terrorism we must be protected. Our Lord stated we must have crucifixes upon the outside of all of our outside doors. In the "Heaven's Home Protection Packet" there are instructions, four crucifixes, and a tube of special cement for wooden or metal crucifixes. Wooden crucifixes adhere better to the doors when the aluminum strap is removed from the back. Put a light coat of cement on the back of the crucifix and then press it to the outside of the door. This packet is available for a donation of \$5.00 and is listed in the sacramental section of the order form. Item# P15

Russia shall be your scourge... Our Lady -

"There are evil powers, My child, being set up to enslave your world! I have begged you, I have asked you through countless years to pray much for the conversion of Our adversaries. One nation, Russia, My children, shall be your scourge. As they shall go across the world, ravenous in appetite, destruction as their means for enslaving the world!" (9-13-75)

Russia will use ray guns...

Veronica - Oh, and I see that - Our Lady is showing me now - there are some kind of implements they're using that... it doesn't look like a gun, it looks like a flashlight, but I know it's not a flashlight; it's some object of some kind of a ray they've got. And then - now he's lifting - I see a man in a very odd looking uniform; I don't recognize the uniform. But he's raising high, like this, this ray gun. That's what it is, it's a ray gun. And he's now pushing the trigger, and I see... it looks like long streams of light, but everything it hits just disintegrates and melts. (Veronica groans.)

Our Lady - "Russia, My children, has this implement of destruction. While the United States and Canada, and most of the world, go about crying for peace, tranquility, love, they are not aware of the fact that Russia has every mind to take them over, be it good or bad. And if they have to annihilate the whole land of it's people, they want that land, and they will use any means to get it." (7-25-85)

Russian Scalar Electromagnetic Weapons...

"Russia will continue to be the scourge from God. Russia will continue to go throughout the world annihilating people and places and countries." Our Lady of the Roses (10-2-87)

Lt. Colonel Thomas Bearden is a retired Army nuclear engineer with credentials as long as your arm. He has a report showing that Russia's fantastic super weapons make the United States and the world totally defenseless. In 1963 the Russians destroyed the U.S.S. Thresher submarine. They destroyed the Challenger Space Shuttle in 1986. They can control our weather; create earthquakes, and much more. We have a fantastic 18 page report explaining all these Tesla weapons available for \$5.00. Item# R134.
